

VARMA MVSS

FULL STACK WEBDEVELOPER

ABOUT ME

An ambitious B.Tech Computer Science Student with good coding and communication skills. Have worked with few organisations. Have worked on many projects with my team which helped me learn how to work with a team and how to take the team forward altogether. I'm a quick learner and learn things in a way so that they can be implemented practically in an effective way.

TECHNICAL SKILLS

- C, C++, JAVA, Python, PHP, JS
- MEAN Stack, Laravel
- MongoDB, MySQL
- Linux/Unix, Macintosh, Windows
